

## **JUST A HELPFUL REMINDER . . .**

We know many of you like to drop by our office when you have a question or concern. However, we suggest you call the office (719-3555) to set up an appointment. This allows us to better prepare for your visit. It is always best to call and make sure the person who is the most capable of addressing your concerns will be in the office so as to give you the time and attention **TO SERVE YOU BETTER.**
